

The Benefits and Solutions

Kathy Ennis brings to the business table...

"Kathy has consistently inspired and supported those she works with. She is an energetic advocate and is to be relied on for her enlightened views on personal and professional development."

Susie Kay, Managing Director,
The Professionalism Group

"If you work with me you will benefit from high quality, cost-effective advice and direction that will get you the success you deserve."

Kathy Ennis
Promise and Mission Statement

Programmes offered as mentoring, training or speaking include:

How to develop better business networking, public speaking and presentation skills

Building confidence and self-esteem

Interview preparation

Development of personal brand: communicating through appearance, body language and behaviour

For companies looking to maximise the effectiveness of their staff, or aspiring entrepreneurs and careerists needing that 'special' business mentoring experience, to help launch careers and companies...

Kathy Ennis is an experienced and internationally respected mentor, trainer and public speaker

A highly qualified graduate with postgraduate diplomas and other certificates, Kathy has invested in a top class education, supported by extensive, hands-on experience at many blue chip and international organisations. Committed to helping companies and individuals, the experience and technical advice offered, is a carefully researched programme which is a précis of everything that has proven to be successful.

As managing director of Kathy Ennis + Your Brand is You, Kathy's entrepreneurial clients benefit from exciting career paths and the fruition of dreams and ambitions. From start ups to SMEs, to larger companies and individuals on a career path: successful mentoring and training programmes, will help to develop a unique identity that expands and promotes a USP.

With exciting and enlightening sessions, Kathy works with corporate leaders and staff, to educate the importance of an enhanced reputation, professional creditability and the power of corporate and individual branding.

Mentoring sessions that are vibrant, participative, informative and fun

Maximising individual effectiveness for employees or company owners

To help awaken and vitalise, the company owner's unique and special aspect, which is then nurtured into a successful brand
